

Mr Bull ~ The Legend

We invite you to meet and feed Mr Bull and learn about his life, which is now committed to entertaining visitors while growing old with pride.

For just **\$2** you can help sustain Mr Bull so that he can see his days out with the true dignity he deserves and cement his important role in the history of our Norfolk Blue cattle.

Please come on inside and ask for a tin of cattle pellets so that you can meet and feed Mr Bull.

Please note that this is only available when the Restaurant is open as follows:

Dinners – Every evening (except Sundays) from 6pm

Lunches – Wednesdays, Thursdays & Fridays from 12 noon

Please ask about our boutique 100 Acre Farm – Norfolk Blue Farm Tour

and our Dine at Home options
