2015-2016 Summer Season

Following on from great successes in previous years, Norfolk Blue has **exclusively secured the talented and acclaimed Rick Robertson** to entertain guests over Summer.

Rick is a professional musician who works mainly in and around Sydney throughout the year and is a local Norfolk Islander. Rick pulls in the crowds wherever he plays. We fully expect New Year's Eve to be a sell out night so arrange bookings early to avoid disappointment.

Rick will play **exclusively** at Norfolk Blue Restaurant during the 2015/16 festive season on selected evenings and Sunday afternoons so call 22 068 for further information.
